

## “Additional Reminder / Disclaimer to all Jacuzzi Terrace Suites & Luxury Terrace Rooms bookings with private heated Jacuzzi”

### General

- Do not use the tub if you are unwell, pregnant, have low or high blood pressure. If you have any doubts ask your doctor before booking
- To use the facility, please follow the user menu placed in the room
- Suggest using it for 15 to 30 minutes at a time
- No children under the age of 7 may use the Jacuzzi
- Always supervise children and make sure they know the safety rules

### Drinks

- Drinking alcohol in a Jacuzzi can be dangerous. A Jacuzzi causes your blood vessels to dilate which in turn will cause your blood pressure to rise. This means that alcohol will get into your blood stream faster and circulate through your body faster which will have a greater effect on you than normal. The heat of the tub and the alcohol combined can cause dehydration and possible heat exhaustion. If you feel any of the following symptoms then get out of the tub immediately: light headed, dizzy, nausea, rapid heartbeat, faint or fatigue, headache, extreme sweating

### Safety

- Please beware of the slippery floor and mind the steps
- Please take care when using the Jacuzzi and do not run when wet underfoot
- Please avoid splashing since water can make nearby decks or floor slippery

### DO NOT

- To ensure a pleasant experience, do not get into the Jacuzzi wearing fake tan, make up, body cream etc... This will cause significant damage or malfunction to the filtration system. The room may need to be closed for maintenance
- Do not use the Jacuzzi if you have skin, ear, genital or other body infections, open sores or wounds. This could cause the spread of infection, irritate your condition further and contaminate the tub
- Do not put any other objects in the Jacuzzi, such as rose petals or anything that will potentially block the drainage or filtration system of the tub
- For your health and safety, do not use the Jacuzzi continuously for more than 30 minutes at a time
- Do not eat food or smoke in the tub

### Jacuzzi damages and breakages

- In case of miss-use and/or not following the guidelines set out above which result in the facility having to be shut down due to contamination, damage etc.: Guests will be charged accordingly
- Any maintenance required as a result of introduction of pollutants (Including soap, shampoo etc.) will incur extra charges
- Any damages to the facility, system, control panel and filtration will incur extra charges
- Any charges incurred will be fully detailed and photographed evidence provided and sent by email and letter

### Compensation

- Damages will be charged at cost plus labor cost
- If we have next Guests that forced to cancel due to the Jacuzzi not being available as a result of damages caused by miss-use by departure Guests, then the total booking cost will have to be covered including any of the above
