### BARREL AGED NEGRONI 98

Gin, rosso, campari aged inside barrel

*During the 20th century it is said to be invented in Florence by the dauntless Italian Count Camillo Negroni, at Bar Casoni in Florence, he demanded that the bartender strengthen his favorite cocktail, the Americano, by replacing usual soda water to gin. With the same inspiration we let our negroni rest inside an oak barrel for 1month to have a nice smooth & oaky flavour.*
