

HOTEL CONCEPT

The Silveri Hong Kong – MGallery is the first of Accor's MGallery collection hotels to open in Hong Kong. The MGallery Collection is a portfolio of one-of-a-kind, stylish boutique hotels, each with their own rich and unique story. The Silveri Hong Kong–MGallery is inspired by and named after the silver mines once found in the verdant hills of Lantau, where the hotel is located.

UNIQUE FEATURES

Named after the silver mines discovered in this area during the 1880s, The Silveri Hong Kong – MGallery has been created in the language of a contemporary Manor House sitting in the foothills of Lantau. It features home-away-from-home interiors that evoke elegant luxury, and a comfortable yet refined residential feel.

Several unique room and suite categories, featuring chic and stylish interiors, complemented with modern amenities and intelligent luxuries.

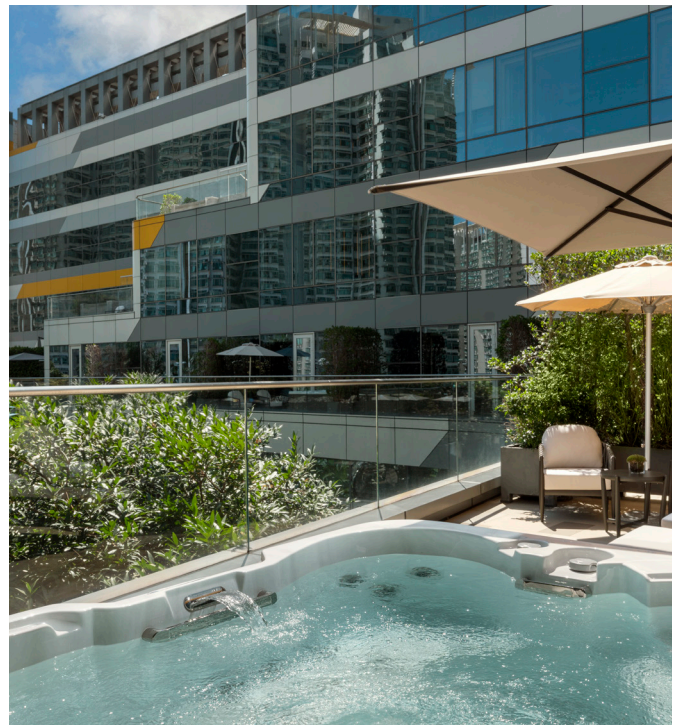

GUEST ROOM

The Hotel comprises 206 rooms and suites, includes a selection of 194 rooms (26m² to 30m²), 12 suites (from 38m² to 77m²) with private outdoor terraces with jacuzzi or private plunge pool.

All accommodation has abundant natural light and views showcasing the surrounding Lantau peaks and sea.

ROOM FEATURES & FACILITIES

- MGallery signature bedding with 400 threads luxury cotton linen
- Complimentary high-speed internet access
- Nespresso and tea facilities
- MALIN + GOETZ bathroom amenities
